

Dear Parents,

Thank you for choosing the Torah Tots Preschool. The goal of our school is to create a safe, happy and nurturing environment that will promote your child's natural curiosity and desire to learn, as well as to inspire a passion for Jewish holidays, customs and way of life.

Our first day of school will be Wednesday, August 28, 2019. On line registration must be completed before your child can be admitted to school. Instructions for on line registration are included in this packet. In addition, the medical form (signed by a doctor) and copies of your child's birth certificate and most recent immunization record are required.

Our tuition for the coming school year is based on a yearly fee. Please see the enclosed Tuition Fee Schedule and Payment Plans for the various fees and payment options. A nonrefundable \$500.00 per student registration fee is also required. The registration fee is reduced to \$300.00 if paid no later than March 1, 2019. **In addition, each family is assessed a mandatory security fee of \$250 which must be paid in full no later than September 20, 2019.**

School uniforms are required for all Torah Tots students. The uniforms are available from Campus Club School Uniforms. Please see the enclosed flyer for more details. Uniforms are mandatory beginning on the first day of school. We recommend that you place your order early.

The parent handbook can be accessed on our website at www.deserttorahacademy.org. You must read the handbook in order to become familiar with our policies and regulations. You are required during registration to indicate that you have read the handbook.

Back to School Orientation for the parents and toddlers of the Toddler Program will be Tuesday, August 27, 2019 from 9:00 - 10:00 am. Orientation for Nursery and Pre-Kindergarten parents and children will be Tuesday, August 27, 2019 from 2:00-4:00 pm. This meeting is important for all parents to attend as we will be reviewing our school's policies, going over the schedules, and will answer any questions you may have. In addition, your child will have the opportunity to meet his/her teachers and get acquainted with the school facility. A certified nurse will be available to examine your child and help complete the Medical Information form at the orientations.

We look forward to welcoming you and your child at orientation. If you have any questions, please don't hesitate to call us at 702-259-1000.

Sincerely,
Mrs. Dina Harlig, Director

Mrs. Yocheved Shapiro, Assistant Director
